

Born and raised in France, allowing me to be fluent in French as well as English, I have continued my higher education in Scotland to pursue a future in Computer Science Engineering. I'm constantly looking for ways to expand my knowledge through collaboration at work, in school or through my own projects.

EDUCATION

MSc Computer Science, University of St Andrews, 2018-present

High School of Dundee, Dundee, 2016-2018

Lycée Pierre de Coubertin, Font-Romeu, 2011-2016
