

JORDI BUGLER-LAMB

jordi.laird@outlook.com

Born and raised in France, allowing me to be fluent in French as well as English, I have continued my higher education in Scotland to pursue a future in Computer Science Engineering. I'm constantly looking for ways to expand my knowledge through collaboration at work, in school or through my own projects.

EDUCATION

BSc Computer Science, University of St Andrews, 2018-present

Modules focused on computer systems, logic, network systems and machine learning.

High School of Dundee, Dundee, 2016-2018

Lycée Pierre de Coubertin, Font-Romeu, 2011-2016

EXPERIENCE

Clevermed Ltd

Junior Software Engineer - 2021/22

Managed company's service statistics and logs while plotting results on Grafana.

Clevermed Ltd

Software Engineer Intern - Summer 2020

Developed migration tool to migrate company tasks to Microsoft Devops Boards.

EXTRACURRICULARS

Mod A - University Officer Training Corps

Rigorous training developed my teamwork skills under pressure.
