

JORDI BUGLER-LAMB

31 Murray Park, St. Andrews, UK 07729270682 jordi.laird@gmail.com

Born and raised in France, I have continued my higher education in Scotland in order to pursue a future in Computer Science Engineering. I am fluent in English and French and enjoy spending my free time cooking. I have used my computing experience to tutor students just entering the CompSci field at all levels and am continually looking for ways to expand my knowledge through collaboration.

EDUCATION

BSc Computer Science, University of St Andrews, 2018 -present

Projected Upper Second degree comprising of modules focused on computer systems, logic, network systems and machine learning.

High School of Dundee, Dundee, 2017 -2018
